

Eastwind Pain Consultants

Dear New Patient:

Welcome to Eastwind Pain Consultants.

Your doctor has referred you to Eastwind Pain Consultants for a consultation regarding your chronic pain condition. **Your first appointment will be for a consultation only.** At this appointment we will be collecting information regarding your condition as well as your health history. We will not be taking over the prescribing of medications at this visit, it is strictly to review your history and establish a personal treatment plan that will best fill your needs.

You will need to bring all necessary insurance information with you including your insurance ID card and all other standard forms provided by your insurance. If you do not have your insurance card with you on the day of your visit you will be set up as a self pay account. Any office visit co-pay is due on the day the service is provided. Please note you will need to supply proof of current insurance at each visit.

If you are coming due to a work related injury you must present either a **BWC insurance card or provide us with the necessary billing information.** You will also need to be sure that our office has received an approved C-9 from your physician of record. BWC patients who present to our office without an approved C-9 may be rescheduled.

If you have been to any other pain specialist you must also have those records forwarded to our office. **Our fax number is 614-453-0789.**

Please fill out the attached paperwork in its entirety and bring it with you to your appointment. If your paperwork is not complete you will be rescheduled until all pertinent information can be collected. Should you have any questions regarding your appointment, please do not hesitate to call us, 614-484-7246. Our normal business hours are Monday – Friday 8:00am – 5:00pm

We look forward to meeting you.

Sincerely,

Eastwind Pain Consultants
